This expansion item is for personal services and the related fringe benefits to continue implementing the market plan and provide tenure-based pay increases. In July 2022, the department implemented a portion of a market plan within the appropriation authority approved by the legislature. The market adjustments for employee salaries included modifying the salary structure to optimize it and being more competitive with market; establishing market competitive midpoints for all salary grades; and advancing employees toward that midpoint more quickly based on tenure and performance.

This expansion item is for personal services and the related fringe benefits to continue implementing the market plan and provide tenure-based pay increases. In July 2022, the department implemented a portion of a market plan within the appropriation authority approved by the legislature. The market adjustments for employee salaries included modifying the salary structure to optimize it and being more competitive with market; establishing market competitive midpoints for all salary grades; and advancing employees toward that midpoint more quickly based on tenure and performance.

Section 4.495 – Multimodal Operations - Multimodal Revolving Loan

Book 2, Page 467

Description: This appropriation is for the continuation of the loan program that provides loans to transportation organizations for non-highway transportation infrastructure. These loans are made from the State Transportation Assistance Revolving (STAR) loan fund. The program provides loans for the following:

- The planning, acquisition, development and construction of facilities for air, water, rail or public transportation;
- The purchase of vehicles for transportation of elderly and disabled persons; or
- The purchase of rolling stock for transit purposes.

Legal Basis: Section 226.191, RSMO and Article IV, Section 30(c), MO Constitution

DEPARTMENT OF TRANSPORTATION
Section 4.500 – Multimodal Operations – Transit Assistance

Book 2, Page 477

Description: This program provides operating assistance to 34 public transportation providers. Passenger fares cover less than 20 percent of the direct operating cost to provide transit mobility services. Actual allocation amounts will be dependent on the total number of grant applications received as well as any new qualified applicants that might enter the program for the first time in fiscal year 2019. The funding helps maintain some level of assistance to the public transportation providers in Missouri.

Legal Basis: Sections 226.195 & 226.225, RSMO and Article IV, Section 30(c), MO Constitution

Funding Source: General Revenue (0101) & State Transportation Fund (0675)
